MOVED STRUCTURE: Work required to conform to Gila Bend Building Code: NOTE: A certified check or approved bond must be filed with the Town Clerk to insure compliance of Building Inspector's Requirements to bring moved structures to the standards set by the Town of Gila Bend Building Code. Also, two (2) photos of the structure and one (1) photo of the lot where it is to be set, must accompany this application. <div style="text-align: right;">Bond: \$ _____</div> | | | | | | | | | |
| Provisions: <i>The applicant is advised that issuance of this permit will not relieve responsibility of the owner or the owner's agent to comply with the provisions of all laws and ordinances, including federal, state, and local jurisdictions, which regulate construction and performance of construction, or with any private deed restrictions or requirements of the applicable fire district. This permit becomes null and void if the construction work authorized is not begun within 180 days from the date of issuance or if at any time prior to the final inspection and approval the work is suspended or abandoned for a period of 180 days.</i> | | | | | | | | | |
| I acknowledge that I have read this application and state that the above is correct and agree to comply with all Town ordinances and State laws regulating building construction. | | | | | | | | | |
| Signature: _____ | | | | | Date: _____ | | | | |

When properly validated, this form constitutes a building permit.
