

Town of Gila Bend

Special Electrical Inspection Certificate

A. Project Identification

Project Name: _____ Date: _____

Project Address: _____ Permit No: _____

Plan No: _____

B. Certificate of Special Inspection by Owner (To be filled in and signed by owner before permit is issued.)

In accordance with the Town of Gila Bend adoption of the I.C.C. Electrical Code, which allows that the execution of certain electrical construction work be placed under the inspection of the engineer, or special inspector employed by the Owner or Owner's Agent, I certify that the electrical portion of construction of the above-described building project will receive special inspection.

Name of Architect of Record

Printed Name of Owner or Legal Agent

Name of Electrical Engineer

Signature of Owner or Legal Agent

C. Special Inspection Responsibility Certificate Owner (To be filled in and sealed, above dark line, before permit is issued.)

I certify that I am familiar with the electrical design of the above-named project and, in accordance with the Town of Gila Bend, I.C.C. Electrical Code, I hereby assume full responsibility for carrying out the required special inspections. Inspection reports will be filed with the Community Development Building Safety Department, as required by Chapter 7. The following individual(s) will be special field inspectors under my direct supervision and are to be on the job site to render full, complete and competent inspection.

The special field inspector(s) are to be named below before work under their area of duty commences.

Engineer Responsible for Special Inspection (type or print)

Name of Inspector (Ground Fault Protection)

Name of Inspector (All Electrical Work per Plan, Specs and Code)

Name of Inspector (Emergency and Stand-by Systems)

Name of Inspector (Other, Specify)

SPECIAL INSPECTOR QUALIFICATIONS ARE APPROVED

Building Official

Date

D. Certificate of Compliance (To be filled in and sealed, below dark line, before certificate of occupancy is issued.)

The construction of the above named project is substantially complete.

I certify that, to the best of my knowledge, the requirements of the approved plans for which special inspection is allowed, per I.C.C. Electrical Code, have been complied with. A guarantee that the contractor has necessarily fulfilled the obligations of his contract is neither intended nor implied.

Engineer Responsible for Special Inspection (Type of Print)

Return to the Community Development Building Safety Dept. for approval and distribution to the following:
