**Pesticide Safety Training for
Agricultural Workers and
Pesticide Handlers**

Wednesday, January 16, 2019

**Gila Bend Resource Center
303 E. Pima Street
(building next to Space Age)
Gila Bend, AZ 85337**

Pesticide Safety Training Description

This training will include the required Worker Protection Standard pesticide safety information for agricultural workers and pesticide handlers. Pesticide handlers are people who mix, load, or apply pesticides as well as those who clean or repair pesticide application equipment. Agricultural workers perform tasks such as weeding, irrigating, planting, pruning, thinning, and harvesting in areas where pesticides have been applied in the previous 30 days.

Pesticide training records and verification cards will be provided.

Recommended Attendance

The course is designed for agricultural workers, pesticide handlers, growers, and certified private and commercial applicators who work in the agricultural industry.

CONTINUING EDUCATION

Two hours of continuing education has been approved for this general pesticide safety training class for Arizona agricultural Pest Control Advisors (PCA) and certified applicators (PUP, PUG, PUC).

PLEASE PRE-REGISTER BY JANUARY 14th. See page 2.
